PREFACE

The ELENA Index of useful addresses lists organisations and individuals providing legal services and other forms of support to refugees and asylum seekers in Europe. It is not intended to be a complete directory of all organisations and persons active in the asylum field, but reflects the information provided by the ELENA Coordinators in the various countries. This list is only indicative of lawyers and organisations operating in this field and is not a formal endorsement by the ELENA network.

The ELENA Index is meant to serve as a tool for lawyers and legal counsellors participating in the European Legal Network on Asylum in their daily counselling and advocacy work. It provides addresses of colleagues and organisations in other countries which are useful when working with refugee and asylum law.

The ELENA Index is updated on an annual co-ordinated basis from the ECRE Secretariat. For more up-to-date information, additions, corrections and comments please contact the ELENA National Coordinators in the respective country or the ECRE Secretariat via e-mail: JZelvenskaya@ecre.org or fax: +32 (2) 514 5922.

This document is for internal use by agencies dealing with refugees and asylum seekers. It can be distributed to individuals with links to such an agency.

EUROPEAN COUNCIL ON REFUGEES AND EXILES

The [European Council on Refugees and Exiles](#) (ECRE) is a pan-European alliance of 90 NGOs protecting and advancing the rights of refugees, asylum seekers and displaced persons. Our mission is to promote the establishment of fair and humane European asylum policies and practices in accordance with international human rights law.

Working together with our members and partners to inform and persuade European authorities and the public, we monitor and denounce human rights violations while proposing and promoting fair and effective durable solutions. We accomplish our mission through research, advocacy and the sharing of knowledge and expertise.

ECRE strives for a Europe that protects refugees, asylum seekers and displaced persons with dignity and respect.

“Europe” refers to the broader geographic territory as well as “Europe” as an actor giving access to protection and providing assistance on its territory and outside.

The term “protects” is defined in the broadest sense, to encompass access to asylum, legal and physical protection and integration.

“Refugees, asylum seekers and displaced persons” to include all people seeking protection against their loss of rights due to displacement.

INTRODUCTION TO ELENA

The [European Legal Network on Asylum](#) (ELENA) is a forum of legal practitioners who aim to promote the highest human rights standards for the treatment of refugees, asylum seekers and other persons in need of international protection in their daily individual counselling and advocacy work. The ELENA network extends across most European states and involves some 500 lawyers and legal counsellors.

ELENA's objectives are pursued by:

- providing and reinforcing contact between legal practitioners in different European countries who work on asylum cases;
- facilitating the exchange of information and experience between legal practitioners across Europe;
- studying the implementation of national, European and international law relating to refugees and other persons in need of international protection;
- organising seminars on specific topics relating to refugee law and making the results available to practising lawyers;
- promoting the development of national networks of legal practitioners specialising in asylum law.

ELENA reinforces direct personal contact between lawyers to promote cooperation on individual cases and practice.

The work of ELENA is coordinated by the ECRE Secretariat in Brussels in continuous and close consultation with the ELENA National Coordinators comprising practising legal advisers from a range of European countries.

VI. AIRPORT/BORDER SERVICES

VII. LEGAL AID

Under the relevant legislation asylum seekers have to be provided with a (government appointed) legal advisor by the asylum authority during their admission procedure as well as during their appeals procedure (in particular for lodging the appeal), including the right to be represented at the court hearing upon request.

For unaccompanied minor asylum seekers these legal advisors also serve as legal representatives during the admission procedure after which legal representation is taken over by the respective local youth welfare office.

Currently the two following organizations are charged with this service:

- ARGE Rechtsberatung (consisting of Diakonie Flüchtlingsdienst gem.GmbH and Volkshilfe Oberösterreich)

www.arge-rechtsberatung.at/

- Verein Menschenrechte Österreich

www.verein-menschenrechte.at/rechts.html

In addition, asylum seekers are always entitled to appoint their own legal counsellor, e.g. from other refugee counselling organisations or a lawyer.

In procedures before the Constitutional Court and the Administrative Court where representation by lawyers is mandatory indigent asylum seekers may apply for legal aid.

VII. LEGAL AID

Legal aid is available according to Article 508/1-508/25 of the “Code Judiciaire” and Royal Decree of 20 December 1999 and 18 December 2003. The legislation distinguishes between legal aid at the first instance authority i.e. ‘first line’ legal advice only and legal aid at the appeal stage known as ‘second line’ legal advice and representation. A request should be made to the relevant Bar Association of each judicial district. A lawyer is then designated who receives a small amount from the state.

The Brussels bar associations organise free legal aid for the refugees detained in the airport reception centre of Zaventem near Brussels (Centre Caricole).

VII. LEGAL AID

The overall responsibility of asylum issues in BiH lies with the Ministry of Security of the BiH Council Of Ministers. The ministry signed the protocol on cooperation with the Association “Vasa Prava BiH”, by which the association “Vasa prava BiH” was given exclusive right to provide free legal assistance and counselling to asylum seekers, refugees and victims of human trafficking. The protocol also enables lawyers of “Vasa prava BiH” to access reception and asylum centres. Lawyers of the association are called on by the State Border Service when an asylum seeker first enters the country at some of the border crossings.

The association has 16 field offices and over 60 professional legal staff. The beneficiaries are mainly displaced persons, returnees, repatriates (whether they return to their places of origin or become internally displaced upon repatriation), refugees and minority members of the population. The Ministry of Security authorised the

association to provide legal aid and information in all issues pertaining to asylum, human trafficking and refugees.

VI. LEGAL AID

With the entry into force of the Law on
International and Temporary Protection (LITP)
in summer 2015, legal aid i.e. legal counselling
funded by the state, should be also available for
applicants in the first instance procedure. The
LITP specifies that applicants should, at their
request, be provided with legal and procedural
information on the approval of international
protection, taking into account the circumstances
of the specific case, in a language which it may be
reasonably be presumed that they understand and
in which they are able to communicate.

The right to counselling should be provided by
organisations working to protect the rights of
refugees or by attorneys with whom the Ministry
shall conclude an agreement on the provision of
legal counselling. However at the moment no
such agreement is concluded. The Ministry of
Interior has published a public call for providers of
legal counselling in August 2018 and the results of the
public call are expected soon.

According to the LITP, free legal aid in terms of
representation is available in the court procedure
and includes assistance in the preparation of a
claim to the Administrative Court and
representation before the Administrative Court
i.e. in the first instance administrative disputes, if
requested by the applicant and foreigners under
transfer, under the condition that they do not
possess sufficient financial resources or things of
significant value.

The free legal Aid before the Administrative
Court is provided by Attorneys at Law and
lawyers from NGO.

VII. LEGAL AID

According to the Legal Aid Law 2002 access to legal aid is granted only at the judicial review of an asylum application before the Administrative Court. No legal aid is afforded during the first instance

administrative examination of asylum applications. The provision of legal aid has been subjected to a “means and merits” test, which has been applied strictly leading to a very limited number of cases receiving such aid.

VI. AIRPORT / BORDER SERVICE

The Danish Refugee Council can be contacted, but there is no NGO present at Danish airports.

VII. LEGAL AID

Free legal aid is available from the Danish Refugee Council through all stages of the status determination procedure. The Danish Refugee Council makes regular visits to detention centres and asylum centres for legal counselling. In the appeal-process of asylum applicants covered by the Dublin-Regulation, the Refugee Council functions as legal representative. During the appeals procedure of an asylum case, all asylum seekers are provided with a lawyer paid for by the state. Eligibility for free legal aid is not dependent on a merits or means test in Denmark.

VI. AIRPORT/BORDER SERVICE

There are no lawyers or NGOs present at airports or border crossing points, but the Estonian Human Rights Centre can be contacted (leaflets with contact details have been sent to border crossing points).

VII. LEGAL AID

Legal counselling and representation during the first instance of asylum procedure is provided principally by the Estonian Human Rights Centre (EHRC), in partnership with the UNHCR. This includes explaining the asylum procedure and related legislation, preparing for the asylum interview, assisting with collection of information and evidence relevant to the asylum procedure, representing the asylum-seeker during the asylum interview, challenging provisional asylum decisions and explaining the final decision and options to appeal.

In addition, there are legal counsellors employed by the Police and Border Guard Board present

ESTONIA (☎ +372)

in the reception centre and the detention centre. They provide initial counselling regarding the rights and obligations of asylum-seekers, and assistance with filling out state legal aid applications for the appeal procedure.

For appealing a rejection decision or a detention order, asylum-seekers can apply for free state legal aid through the Administrative Court. The court decides on eligibility based on a limited means and merits test. In practice, state legal aid applications of asylum-seekers are almost always approved and free state legal aid is provided.

The EHRC lawyers also provide legal aid and representation during the appeal procedures, focusing on cases with strategic value.

VI. AIRPORT / BORDER SERVICES

No special services are provided to asylum seekers at airports or borders.

VII. LEGAL AID

An asylum seeker has the right to receive legal aid when his or her application is being processed at the Finnish Immigration Service and during the appeal process. State legal aid office decides on the assignment of a counsel.

In the first instance stage of the asylum process (application processing in the Finnish Immigration Service) legal aid is offered mainly through public legal aid offices. An applicant can request the public legal aid office to decide on the assignment for the Refugee Advice Centre (RAC) or another private lawyer. A counsel paid by the state's public legal aid office can accompany an applicant during the asylum interview only for exceptionally weighty reasons or if the applicant is an unaccompanied minor.

In the appeal process applicants can ask the Refugee Advice Centre or other private attorneys to assist in the appeal process.

All legal advice and counselling services, both at the first instance stage and at the appeals procedures are covered by the law for free legal aid. Access to free legal aid is always dependent on a means test. i.e whether the asylum seeker has sufficient means or not. Applicants are also entitled to free legal aid in detention hearings in courts.

VII. LEGAL AID

Asylum seekers are not entitled to state- funded legal aid prior to or during the first instance procedure conducted by the Federal Office for the Recognition of Foreign Refugees.

Legal aid may be granted during the second and further instances before the administrative courts. A positive decision depends on two major conditions:

GERMANY (☎+49)

judicially.

1. the applicant has to be considered as "poor" (dependent on public means/social benefits) by showing official social aid receipts or
2. equivalent documents;
3. the applicant must be able to demonstrate that his/her application has a reasonable chance to succeed.

Denial of legal aid cannot be reviewed

VI. AIRPORT / BORDER SERVICES

For information on civil society organizations currently present in entry or/and exit points in Greece for provision of humanitarian assistance to third country nationals newly-arrived or on the move, please consult UNHCR relevant index (“who what where”), available in:
<http://data.unhcr.org/mediterranean/country.php?id=83>

VII. LEGAL AID

Asylum seekers are not entitled to state-funded legal aid prior to or during the first instance procedure conducted by the Asylum

Service. Before the Appeals Committees (entitled to examine administrative appeals against first instance rejections, deciding in second and final instance, art. 61 Law 4375/2016) appellants are entitled to free legal representation (art. 44 par.3 L. 4375/2016) via a lawyers’ registry maintained by the Asylum Service.

A final rejection of an asylum application can be challenged before the Second Instance Administrative Court. At this stage, free legal assistance is limited and is subject to (a) an insufficient means test, establishing the applicant’s inability to afford legal representation; and (b) a merits test, determining that the application has a “probability” of success (Law 3226/2004). The choice of legal representative is made on the basis of a list drawn up by the relevant Bar Association. However, in order to submit an application for legal aid, the asylum seeker needs to hire a lawyer, he/she has no choice over his /her legal representative, as lawyers are appointed from the list designated by the Bar Association. The low rates and the great delays in remuneration awarded to legal aid lawyers act as a severe disincentive for legal professionals to take up asylum cases, adversely affecting both the availability and the quality of free legal assistance.

In Greece, *free* legal assistance and representation in all stages of the administrative and judicial asylum procedure has always been provided by NGOs according to their capacity. The provision of free legal assistance, as it is currently provided in Greece by NGOs lacking relevant funding, in no way may be perceived as satisfying the requirements set in the law and directly affects the quality of the asylum procedure.

For further information on legal aid for asylum seekers in Greece, see AIDA Country Report: Greece, available at:

VII. LEGAL AID

The Hungarian Legal Aid Act allows for ex post facto granting of legal aid (and reimbursement of legal fees) if the legal assistance does not require more than 2 hours, or if the legal assistance does not require more than 4 hours of work and the case is urgent.

In urgent cases, the client contacts the legal aid provider directly, and the legal aid provider will take care of claiming his/her fees and costs from the Legal Aid Office once the assistance has been provided to the client. In all other cases, the beneficiary of legal aid first needs to have his/her application for legal aid approved by the Legal Aid

Office, and may only then approach a legal aid provider of his/her choice.

However, if there is a need for more hours to be spent on a given asylum case, in principle this is possible under the legal aid system – however, in practice this requires much more paperwork and is also time-consuming.

VI. LEGAL AID

Legal aid for asylum seekers is provided solely through the Refugee Legal Service, an office established by the Legal Aid Board to provide confidential and independent legal services to persons applying for asylum in Ireland. The RLS offers advice and representation to those at all stages of the asylum process and has offices in Dublin, Cork and Galway. Since its establishment in 1999, staff of the RLS have developed specialist expertise in all areas of refugee and asylum law. Solicitors employed by the RLS

work exclusively in the area of refugee law and are committed to providing a professional, independent and confidential service to their clients. The RLS has a dedicated children's unit and a specialised judicial review unit.

Many barristers and some solicitors do often take cases pro bono, or on a no fee basis, but cannot provide a legally aided service.

Country of Origin Information Experts

The Refugee Documentation Centre (RDC) is an independent library and research service within the Legal Aid Board. The role of the RDC is to provide a research and query service for all organisations involved in the asylum process. To that end, the RDC builds and maintains a collection of objective, up to date country of origin information (COI) and asylum, immigration and human rights information. The Centre provides training and fosters cooperation with similar agencies abroad to advance knowledge of COI research. The RDC also publishes *The Researcher*, a quarterly electronic newsletter, for which it welcomes contributions. Members of the public and other agencies may also use the Refugee Documentation Centre to conduct their own research.

VII. LEGAL AID

For administrative proceedings in front of the Asylum Board no legal aid is provided. However, there are several organizations that give advice to asylum seekers free of charge.

Legal aid is provided only for court proceedings to citizens and to foreigners who have a permit to

stay, if without means (the annual income limit for since 2015 has been 11.528,4).

For civil proceedings the request must be submitted to the legal aid board of the “Consiglio dell’ordine degli avvocati” of the town where the case will be introduced, in the same offices there are lists of lawyers who accept cases through legal aid. In case of appeal against expulsion legal aid is provided even for irregular migrants and the request is presented directly to the deciding judge.

VIII. LAWYERS AND LEGAL EXPERTS WITH AN OVERALL KNOWLEDGE OF REFUGEE LAW AND POLICY

The lawyers and the associations mentioned in the previous sections have an overall knowledge of refugee law and can reply to academics and experts if needed. The following list includes only researchers who volunteered to be listed.

VII. LEGAL AID

Asylum-seekers are entitled to state-funded legal aid during the asylum procedure within the ambit specified by the Asylum Law and it is not automatic. State ensured legal aid is ensured to appeal a decision on application of a restrictive measure (regular registration at the unit of the State Border Guard or detention) and to appeal a decision of the determining authority within the scope of the asylum procedure to the court. An asylum-seeker should submit an application to get State ensured legal aid. If an asylum-seeker is not detained, an application regarding his/her income should be submitted too. Legal Aid Administration (the institution subordinated to the Ministry of Justice) concludes agreements with legal aid providers about providing State ensured legal aid which covers only preparation of appeals and representation at court. The Latvian Centre for Human Rights is an independent non-governmental organisation which provides advice to asylum applicants in Latvia as the implementing partner of UNHCR. The Latvian Centre for Human Rights provides legal assistance (in the forms of legal consultations and strategic litigation) to asylum-seekers in all stages of asylum procedure. In some cases,

consultations are also provided to people granted/rejected asylum. These consultations usually concern residence permits, family reunification, etc.

VII. LEGAL AID

According to the Law on Legal Status of Aliens asylum seekers have a right to free legal aid. The Ministry of Interior periodically announces public competition between law firms and concludes agreement with the winner to provide state guaranteed legal aid, which covers only preparation of appeals and representation at Vilnius District Administrative Court or Supreme Administrative Court of Lithuania in asylum cases and preparation of requests and representation in the court of the first instance and Supreme Administrative Court of Lithuania in detention cases. At the moment the Lithuanian Red Cross as the implementing partner of UNHCR provides legal assistance (in the forms of legal consultations and strategic litigation) to asylum seekers, which is not covered by state guaranteed legal aid. Lithuanian Red Cross lawyers provide legal assistance to all asylum seekers and people granted asylum in Lithuania. Legal assistance covers all stages of asylum procedure and all legal questions arising to people granted asylum. Usually people granted asylum also receive legal consultations concerning their social integration, family reunification, application for new temporary or permanent residence permits, receiving travel documents, rights in the labor market, etc.

VII. LEGAL AID

Free Legal Aid under the same conditions as Maltese nationals is provided for asylum-seekers who wish to appeal from the first instance decision of the Refugee Commissioner.

MALTA (☎+356)

For criminal matters, Legal Aid Assistance is not means tested, whilst for civil issues the applicant is required to demonstrate financial need and a cause for litigation. An assessment will be made by the Advocate for Legal Aid on the financial situation of the applicant which will decide if someone's entitled or not. In asylum matters, legal aid is provided at 2nd Instance, for reception-related appeals and, limitedly, in detention proceedings.

The Federation of Refugee Organisations (VON) in the Netherlands was founded in 1985 primarily as an advisory council to the Dutch government on matters of minority policy. Together with similar councils of other minority groups they regularly consult with the government about the position of minority groups in the Netherlands. In 1987 ten of the largest refugee organisations had become affiliated to VON. By way of writing advisory reports, information dissemination and training VON tries to improve the knowledge

about refugee matters for member-organizations, governmental authorities, political parties and other organisations.

VII. LEGAL AID

Asylum seekers must make their request for asylum at the Central Location for Reception (Centraal Ontvangst Locatie) in Ter Apel. The screening and registration takes place here. From there asylum seekers are transferred to a Application Centre. The Legal Aid Board in Asylum procedures is responsible for the organisation of legal aid. The legal Aid Board at these application centres provides the asylum seeker with a legal aid lawyer.

Lawyers are providing legal aid to the asylum seeker after arrival and during the determination procedure in the Netherlands. In general this legal aid is free and there is only a limited merits test applied.

VI. AIRPORT / BORDER SERVICES

Asylum seekers can seek asylum at the border control at the airport or Storskog, the only Norwegian external Schengen land border station, or any international port, and should do so immediately upon arrival. Asylum seekers arriving from within the Schengen area or to a port with no border control should apply to the closest police station. The asylum applications will be registered by the police and the asylum seeker will be offered to stay in an asylum reception center. On rare occasions detention will be used, but the asylum seekers will be given free legal assistance by the lawyer of his or her choice and be brought before a tribunal as quickly as possible if the detention exceeds one night. Asylum seekers will be given free legal assistance by the lawyer of his or her choice if they are not granted a residence permit at the time a negative decision is made, and he or she will have the possibility to appeal the decision. Excluded from this are asylum seekers arriving from a presumed safe first country of asylum who are returned to this country. If the asylum seeker has not requested a particular lawyer before the decision is made one will be appointed.

There are no NGOs providing help at the airport/border station but if detained the asylum seeker has the right to free legal assistance from the lawyer of his or her choice.

A decision on rejection/refused entry can not be effectuated until the asylum claim has been examined. A foreigner being rejected/refused entry without applying for asylum has the right to free legal assistance by the lawyer of his or her choice in the processing of the rejection decision. However, decisions are frequently enforced so quickly that it may be impossible to contact a lawyer before deportation.

VII. LEGAL AID

1. Upon arrival asylum seekers are given legal information by NOAS, an NGO given this task by the Directorate of Immigration. Unaccompanied minors and some other groups will be given free legal aid by an independent lawyer before a decision is made. Unless a specific lawyer has been requested one will be appointed from a list. Once a specific lawyer has been appointed free legal aid cannot be given by another lawyer.
2. If receiving a negative decision every asylum seeker will receive free legal aid by an independent lawyer. Unless a specific lawyer has been requested an immigration lawyer will be appointed from a list. Once a specific lawyer has been appointed free legal aid cannot be given by another lawyer. Also manifestly ill-founded and Dublin cases will receive free legal aid, but to a lesser extent. Persons being refused asylum because they are arriving from a presumed safe first country of asylum will not be given free legal aid.
3. Free legal aid is given by the state according to standardised rates. If deemed necessary due to the complexity of the case further legal aid will be given upon application. The lawyer will make necessary applications. Under the legal aid system the lawyer has the duty to give assistance that is deemed necessary.
4. Legal aid is rarely given to try cases before the national courts. The organisation NOAS has an arrangement with some lawyers to try cases pro bono in a limited strategic litigation project.

VII. LEGAL AID

The Asylum Act enshrines the right of asylum seekers to free legal assistance at all stages of the asylum procedure. Such assistance is provided by the Portuguese Refugee Council (CPR) in line with a Memorandum of Understanding. The legal assistance provided by CPR also includes other processes such as family reunification, nationality acquisition processes, etc.

According to the Asylum Act, asylum seekers have the right to free legal aid at appeal stage. This includes both lawyer's and court's fees. In practice, CPR also facilitates access to the legal aid system upon request by the applicants.

The legal aid regime provides for a means assessment on the basis of the household income, as only applicants who do not hold sufficient income are entitled to free or more favourable conditions to access legal aid. Applications are submitted to the Institute of Social Security that conducts the means assessment and refers successful applications to the Portuguese Bar Association that appoints a lawyer, on the basis of a random / automatic selection procedure. Appointed lawyers may conduct a merits test.

For more information, please see the AIDA National Report, available at <http://www.asylumineurope.org/reports/country/portugal>.

VI. AIRPORT / BORDER SERVICES

Monitoring of the situation at borders and airports is very limited due to restrictions in access to these areas and the size of the land border of Russia.

For information on all legal questions concerning the border contact “Memorial Human Rights Centre”:

VII. LEGAL AID

Legal aid is enshrined in the constitution but only in certain cases foreseen by law (see Federal Law No. 63 from 31.05.2002). There are unclear provisions for its implementation so in practice it is difficult to get access to legal aid.

In the case of refugees free legal assistance is not provided by the state. However, the UNHCR and the European Commission provide a considerable part of funding to organisations and lawyers belonging to the network “Migration and Rights” who are therefore able to offer their services.

VI. AIRPORT / BORDER SERVICES

There are 89 border crossings and 3 international airports in Serbia (one airport in Belgrade, one on Kosovo 1244 and one in Niš which has international flights only during tourist season). All border crossings are controlled by the Directorate of Border Police. UNHCR and nongovernmental organizations providing legal assistance do not have its representatives at the airports in Serbia. Although in 2013 NGOs providing free legal aid did have access to Belgrade airport facilities upon the request from a foreigner intending to seek asylum in Serbia. Besides, these NGOs do not have anymore smooth access to airport facilities. Upon receiving a call from an asylum seeker, NGO lawyers can only call border police officers at the airport and explain them that this foreigner needs access to asylum procedure, but they are neither allowed legal counselling in person nor presence at the airport. Thus, it is questionable to which extent asylum seekers have access to the asylum procedure at the Belgrade Airport.

Directorate of Border Police

Call service: +381 11 311-8890

www.mup.rs/cms_cir/direkcija.nsf/granica-policija.h

VII. LEGAL AID

Article 56 of the Law on Asylum and Temporary Protection of the Republic of Serbia defines the principle of providing information and free legal aid. At this moment, two non-governmental organisations offer free legal aid to asylum seekers, and they have enough capacities at present to assist all persons wishing to apply for

asylum in the Republic of Serbia. Free legal aid is provided to such persons at all stages of the procedure. The funding for free legal aid is secured predominantly within UNHCR projects. Republic of Serbia does not allocate funds for this purpose. It is unclear how asylum seekers will realize their right to free legal aid or obtain information about their rights if no donors are interested in supporting this project. (such a situation arising is not improbable having in mind that earlier donors stopped supporting the projects of free legal aid in Serbia). At present, the Law does not specify the conditions which non-governmental organisations should fulfill so that they could be given approval for offering legal aid. It should be kept in mind that Serbia has not yet adopted the Law on Free Legal Aid and that this has been an issue of serious debates.

VII. LEGAL AID

Spanish Law recognizes for asylum seekers who have a low income the right to free legal aid for the administrative determination procedure and also for the subsequent judicial review and appeal procedures.

2. Asylum seekers at border points (checkpoints, international seaports and

airports) are entitled to legal advice through a private lawyer or a public attorney, provided free of charge by NGOs (see sections II and VII) or the local Bar Association.

3. Voluntary agencies can also provide free legal advice throughout the determination procedure. Due to the difficulties involved in the proceedings, it is strongly recommended to be advised by an Immigration and Asylum Law practitioner.

4. The Asylum Act also establishes that NGOs assisting asylum seekers and refugees can play a consultative role in the determination procedure by submitting written reports on individual cases. Organisations listed under section III may provide this service. They are also in close contact with the UNHCR Branch Office, which under Spanish Law has to be heard in every individual case.

5. Free legal aid for litigation must be requested through the Bar Association Legal Assistance Service (Servicio de Orientación Jurídica del Colegio de Abogados)

VIII. LAWYERS AND LEGAL EXPERTS WITH AN OVERALL KNOWLEDGE OF REFUGEE LAW AND POLICY

The lawyers mentioned above (section V) can provide all necessary information on asylum matters, and also give reference if needed for other lawyers in the area under their responsibility.

VII. LEGAL AID

SWEDEN (☎+46)

In cases where there is a risk that the asylum applicant may be refused a residence permit, legal assistance is generally provided through the appointment by the Migration Agency of a public counsel under Section 18, 1§ of the Aliens Act. From the beginning of

the procedure, a public counsel represents an asylum-seeker until a final decision has been made on the application. However, a public counsel will not be appointed in cases where the reasons for asylum are considered manifestly unfounded

VII. LEGAL AID

The organisations listed in the index above (IV.) provide legal aid to asylum seekers for free or at minimal charges. Legal aid is available at the reception centres and during the determination and appeals procedure. Information sheets should be available at the reception centres. Asylum seekers can also be represented at their expense by independent lawyers. In very rare cases, the State Secretariat for Migration or the Swiss Federal Administrative Court grants free legal aid.

¹ The organizations listed under this category are national NGOs that offer a range of support services to asylum seekers whether in one location or in multiple locations across Turkey. They all implement variations of what is characterized a “multi-purpose community center” modality, often in partnership with various international humanitarian NGOs and international organizations that partake in the Turkey’s refugee response and humanitarian programs coordinated under the UN-sanctioned 3RP framework. For up-to-date specifics about each organization’s locations of operation and scope of

services, please consult their organizational webpages. In addition to the organizations listed under this category, there is a growing number of smaller scale local NGOs and community organizations as well as municipality programs that offer various types of support services to asylum seekers in locations across Turkey. Such smaller scale local organizations were not included in this list. That being said, large scale national NGOs listed under this category routinely have cooperation and referral arrangements with such local support providers.

V. LAWYERS PROVIDING ADVICE TO ASYLUM SEEKERS³

N/A

² The organizations listed under this category offer a range of legal information and assistance services specifically. For up-to-date specifics about each organization's locations of operation and scope of services, please consult their organizational webpages.

³ While in Turkey there is a growing number of private practice lawyers offering various legal representation

services to asylum seekers and other categories of foreign nationals in various locations around the country, there is no publicly available register or organized professional platform that would allow for the identification of lawyers in any given province who take on cases dealing with matters of asylum and immigration law.

VI. AIRPORT / BORDER SERVICES⁴

N/A

VII. LEGAL AID

In Turkey, the state funded Legal Aid (*Adli Yardım*) scheme for civil and administrative matters is administered by the provincial Bar Associations around the country under the supervision of Turkish Union of Bar Associations. The Legal Aid Service of each provincial Bar Association recruits a roster of local lawyers to participate in legal aid cases, makes the legal aid assignments and compensates the roster lawyers on a case basis. The legal aid services of provincial Bar Associations are available to both citizens and non-citizens in the locality, including asylum seekers and other categories of foreign nationals which fulfil the legal aid eligibility criteria. At present, provincial Bar Associations across Turkey make varying numbers of legal aid assignments in requests originating from asylum seekers. However, the overall volume of legal aid assignments to asylum seekers countrywide remains modest. The currently limited involvement of the Legal Aid Services of provincial Bar Associations in the field of asylum and immigration law has to do with resource and capacity constraints as relative to the significant size of the asylum seeker population in Turkey. That being said, the legal aid scheme has the advantage of being potentially available in all localities across Turkey and serves as an important resort for free of charge legal representation. For the contact details of Bar Associations across Turkey's 81 provinces, please

4 Neither NGO legal assistance providers nor the Legal Aid Services of provincial Bar Associations in Turkey have institutionalized access to immigration detention facilities at international airports and other land and sea ports of entry for the purpose of international protection screening and legal assistance. That being said, NGO legal assistance providers, legal

aid lawyers and private practice lawyers can respond to and intervene in requests for legal assistance by individuals held at such border premises to varying degrees of capacity and effectiveness. For any such cases, organizations listed under category IV above may be contacted.

Use the Directory on its website to identify lawyers and advisors who work on asylum. The ILPA Secretariat does not give advice. Where organisations listed in sections above are listed in the ILPA Directory, this is because they give legal advice.
