für Bildung,  
Jugend und Sport

**Tuesday 26.05.2020 - 17:30 - 19:30**  
**Videoconference of the Thuringian initiatives for**  
**Support for refugees**

Hello dear committed people and initiatives,

the 11th initiative meeting cannot take place in the usual form at the moment. In order that we can still exchange ideas and get the latest information on the situation in Thuringia, we invite you to our 1st video conference on 26 May 2020 between 17:30 and 19:30. Unfortunately we can only hold the video conference in German. We try to speak slowly and simply. A registration is not necessary.

## What you need

- PC or laptop or smartphone (internet capable) or telephone
- optional: microphone, camera

## Contents are:

- Lecture on the current situation in Thuringia (reception facilities, situation in collective accommodation, notification practice of the foreigners authorities, etc.)
- Short presentation of some initiatives on "our work in solidarity with refugees despite Corona"
- Exchange on your questions, problems and needs

To participate you only need to use the following link: <https://bit.ly/2xYOy20>

Technically you can also participate by phone. The telephone number for the dial-in is available on request. We are looking forward to you! Many greetings are sent as project [CoRa] by the Flüchtlingsrat Thüringen e.V. and the DGB-Bildungswerk Thüringen e.V.
